

**Here's a start-up company whose officers were a bit shy on looks but overloaded with brains.**

Would you have invested?

Microsoft Corporation, 1978

**Check the guy in the lower left.....** that's Bill Gates. Paul Allen, the owner of the Seattle Seahawks with a net worth around \$20 billion, is on the far right, lower corner!!

It's a great object lesson, that looks don't mean a thing, brains do!
