

“Personal Integrity”

By: Jack Muellerleile

“**Personal Integrity**” defined:

- **Integrity** – uncompromising adherence to moral and ethical principles; soundness of moral character; honesty.
- **Personal** – hey, everyone knows the meaning of this.

Honest people (those with personal integrity) always do better than dishonest ones...eventually. And they don't spend all that time looking over their shoulder; hiding their ill gotten gains; fighting things in court; putting up walls around themselves; trying so hard to remember the exactness of the lie they served up to answer the same question being faced again now; sleeping poorly at night or not being able to get to sleep at all; and so forth.

Suggestion: Be smart, behave honestly.
