

09.04.13 Invitation to Meet the Pros at the WCA

Around this time every year a group of car wash professionals gather together to share ideas and experiences, hold educational sessions, display equipment and connect with others in the industry. This year's Western Car Wash Exposition will be held on September 11th and 12th at the San Diego Convention Center in San Diego, California.

We would like to extend an invitation for you to visit with the car wash industry professionals at Coast Commercial Credit. Take some time to meet the people at Coast and find out how truly dedicated we are to the car wash industry. Our team includes; former tunnel and in-bay/self serve equipment sales specialist, finance professionals with advanced degrees, industry award winners and former car wash operators.

If you're looking for a lender who understands Car Washing, look no further! Coast Commercial Credit has the industry experience and knowledge you need to get the job done!
